

Community Pursuit April 2011

Happy Easter!!!

A Borden-Carleton Publication

Gateway Arena – The ice is now out of the arena and another season has wrapped up. I would like to thank all user groups, sponsors, volunteers and staff for a successful season and we look forward to working with you again in the fall. If anyone is interested in hosting a party, family gathering, or other activity the arena is available for rent during the offseason. To make a booking, or for more information, please call Adam at 437-2410.

Skate Sponsor – The After School Skate Sponsor for March was the **BADC**. We thank them once again for their support.

A big thank you to all skate sponsors (Maritime Electric, Purity Dairy, Island Septic, Grant Thornton and BADC). Without these sponsors we would not be able to offer the after school skates free of charge.

Robert Arsenault Memorial – We, the family of the late Robert Arsenault, wish to take this opportunity to sincerely thank all the kind people for hosting the Midget “A” hockey

tournament March 5-6th in memory of Robert. A special word of thanks go to the sponsors and the people who supplied the delicious lunch. Also, thank you to the hockey teams and their coaches and congrats to the winning team!

Be assured, we appreciate this thoughtful way of remembering Robert.

The Arsenault family

IWMC – 2011 Residential Spring Cleanup Schedule:

May 2 – compost

May 9 – waste

May 16 – compost

Materials must be curbside by 7:00am. Drivers stop at each residence once each week and not necessarily the same day as your regular collection. Metals and electronic materials **are not** collected during spring cleanup. Additional guidelines can be found at www.iwmc.pe.ca

Active Transportation – is any manual type of transportation such as walking, biking, rollerblading, skateboarding or running. Our community is unique because the whole community is

accessible through active transportation. With the weather warming up and the evenings getting longer, try active transportation to get around. You can save money on gas, help improve the environment and become physically active. Next time you head out to get the mail, walk rather than drive. Take your bike to visit a friend or while picking up some things at the store. Try parking a few blocks away from work and walk the rest of the way.

Canada Day – is fast approaching and anyone who is interested in volunteering and/or has ideas for activities or events can call Adam at 437-2410. We are also accepting entries into the parade.
